**UBL\***  
**UNIVERSAL BELT LOOP**

- The standard belt loop on all Safariland duty holsters
- Available in 3 versions for hi-ride, mid-ride, or low-ride carry
- Compatible with Safariland's P-2201 Insert Adaptor that allows a 2.25" width belt loop to be worn on a 2" wide equipment belt

**CUBL\***  
**CANTABLE UBL**

- Design allows user to customize carry for a straight up draw
- Available in 3 versions for hi-ride, mid-ride, or low-ride carry
- Provides the same offset from holster as the standard UBL yet offers the closest to the body ride of all UBL models
- Compatible with Safariland's P-2201 Insert Adaptor that allows a 2.25" wide belt loop to be worn on a 2" wide equipment belt

**VUBL**  
**VERTICAL UBL**

- Quick, 3-position height adjustment for hi-ride mid-ride and low-ride carry
- Easily adjust belt loop while holstered weapon is being worn (i.e. while getting in / out of vehicle or seat)
- Ideal for use with light mounted weapons
- Ability for a straight up draw
- Can customize carry / holster ride height for comfort

**QUBL**  
**QLS UBL**

- Allows a closer ride to the body vs. using a separately purchased QLS plate/fork system
- Quick, 3-position height adjustment for hi-ride, mid-ride and low-ride carry
- For use with holsters using the QLS Fork
- Allows for quick removal of holstered weapon from belt without removing entire belt (i.e. when getting into court)
- Customize carry / holster ride height for comfort

\* For added security and control add the drop leg 1.5" ELASTIC STRAP to the UBL or CUBL. Denote by adding [-3004] to end of part number.
